occupied to capacity by troops who wore black epaulets. The ammunition dump in the fork formed by the Bernburg-Stassfurt road and the road from Bernburg to Neugattersleben, was being improved by engineer troops. Trucks seen driving to the ammunition dump [REDACTED]

[REDACTED]

* [REDACTED] Comment. The information [REDACTED] indicate that the unidentified engineer regiment of the GDR was located in Bernburg by 16 November 1951. The ammunition dump is situated about 8 km northwest of Bernburg and is presumably assigned to, and being improved by this regiment.
